My Linkedin   www.linkedin.com/in/ ankit-singh001

Education

S V M Inter Collage Dhalwala   Rishikesh, Uttarakhand
Higher secondary

IIT Guwahati   Guwahati, Assam
B.SC(HONS) IN DATA SCIENCE AND AI   *2023 to 2027*

PWIOI
CERTIFICATION COURSE IN COMPUTER SCIENCE   *2023 to 2027*

Technical Skills

Programming Languages: C, C++, Python
Frontend : HTML, CSS, Basic JavaScript
Basic Data Science and Data Analysis : SQL, Pandas, NumPy, Basic Excel

Projects

Website Clone
Developed a website clone using HTML and CSS, showcasing expertise in front-end web development. Meticulously replicated the user interface and design of a popular website, emphasizing attention to detail. I also created a Netflix clone to further illustrate practical proficiency in web development.

Dashboard Creation
Created a dashboard for Amazon that provides information about their top sales.

Objective

Seeking information and learn new things every day and adopt skills that will help me in my future.
